Child sponsorship | Microfinance | Disaster relief | Food and clothing aid | Leadership development

The impact of the various initiatives have been felt by our members and those on the receiving end

Diarni

“I wanted to experience a mission trip in order to support my spiritual growth. We travelled to various cities around Ghana.

We went to revive churches and financially support people. We additionally held a two-day youth conference. God moved so wonderfully... I returned with a new zeal to seek God.”

Hilda

“Thank you so much for your support during my stay in school. It means a lot to me. God bless you so much as you continue the Good work.”

Hilda is now a nurse.
