Jeremiah 29:11*

Similarly, teach the older women to live in a way that honors God. They must not slander others or be heavy drinkers. Instead, they should teach others what is good. These older women must train the younger women to love their husbands and their children, to live wisely and be pure, to work in their homes, to do good, and to be submissive to their husbands. Then they will not bring shame on the word of God.

Titus 2:3-5
